[SRI K. LAKKAPPA (Hebbur) rose]

MR. SPEAKER.—His remarks should not be taken down. I order it.

SRI C. J. MUCKANNAPPA.—(Sira) Sir, I wish to submit that after the Government conceded some of the the demands of the students, a new situation has arisen...

MR. SPEAKER.—Having regard to the importance of the matter, I permitted the Leader of the Opposition to refer to it and I would like to see if there is any response from the Government. That does not mean that I can permit every body to raise the point and convert this occasion into a debate, which the rules do not permit.

SRI C. J. MUCKANNAPPA.—I wish to draw the attention of the Chair to the new situation that has arisen. Today is the last day of this sitting. The students have been on hunger strike. The question concerns 47,000 students of old Mysore.

(Several Members rose)

MR. SPEAKER.—Everybody should not think that everybodys name should be associated with this matter.

ಎಲ್ಲ, ಆದ್ದರಿಂದ ಇವತ್ತು ಕಾರ್ಯಕಲಾಪಗಳ ಪ್ರಕಾರ ಖಾಸಗಿ ನಿರ್ಣಯಗಳ ಬಗ್ಗೆ ಚರ್ಚೆ ಇದೆ ಸಾಧ್ಯವಾದರೆ ಇವತ್ತೇ ಚರ್ಚೆ ಪ್ರಾರಂಭವಾಗಲಿ ಅಥವಾ ನಾಳೆಯಾದರೂ ಕೂಡ ಒಂದು ದಿವಸ ಈ ಚರ್ಚೆಗೆ ಅವಕಾಶ ನೀಡಬೇಕೆಂದು ಪ್ರಾರ್ಥನೆ ಮಾಡುತ್ತೇನೆ.

Mr. SPEAKER.—It is a non-official day today. The Chair was no objection to allow the Hon—members to say what they like It will go into the records and it will come to the notice of public. But if the Chair permits one, it will have to permit everybody. That means the chair is allowing a Debate, when it has disallowed the motion. It is not fair to convert this into a debate.

Sri V. M. DEO – (Gubbi) The alternative suggestion is to extend the business by one day. The Government should be made aware of the seriousness of the situation.

Sri C.J. MUCKANNAPPA.—As I said a new and a serious situation has arisen. Parents and guardians are conducting meetings, and conferences and putting forth certain demands to Government. The Government has issued a press statement threatening the students that they would be deprived of concessions if they do not join the colleges on the opening day. Thus a serious situation has arisen and the House should take note of it and it is out duty to bring the matter to the notice of the Government through the chair. If we are not allowed to represent matters here, we may have to carry it outside and it may create an ugly scene in the country. ...

Mr. SPEAKER. – The threat that is held out "is we may have to carry it outside" "Who are those" we? I do not want any threat to be given here. I do not want any threat to be given either to the Chair or to anybody on the floor of this House.

Sri C. J. MUCKANNAPPA.—It concerns the students. The word "We" means the students. Everyone is interested.

Sri S. M. KRISHNA.—It is a call to Government. They should be brought back to their senses

Mr. SPEAKER.—If it is said that if we are not to discuss it on the floor of this House, parents are holding meetings and we will do something outside—I do not understand all this. Who are those 'we'? Whether it is Government, executive or otherwise? I must certainly depricate the habit of holding out threats. I do not understand what else it is. So I am being threatened that if I do not permit others are going to be troubled.

Sri C. J MUCKANNAPPA.—It will not apply to the other sections of the people. 'We' means the Opposition side. It cannot create an ugly scene outside. So, please permit us to say just to make the Government understand the situation.

Mr. SPEAKER.—The Hon'ble Member is cultivating the habit of...

Sri C. J. MUCKANNAPPA.—I do not want to cultivate that habit under your immediate presence. I do not want to cultivate or develop such habit. I want to cultivate a very good habit which is bestowed on me by the Hon'ble Chair.

ಶ್ರೀ ವಿ. ಎಂ. ದೇವ್.—ನಾವು ತಮ್ಮ ಮುಂದೆ ಯಾವ ಥ್ರೆಟ್ಟನ್ನೂ ಮಾಡಲಿಲ್ಲ. ಹಾಗಿರುವಾಗ ತಾವು ನಮ್ಮನ್ನು.....

Mr. SPEAKER.—Does the member know the Rules that no Member should speak unless I call upon him?

ಶ್ರೀ ವಿ. ಎಂ. ದೇವ್.—ನಾವು ಅಂಥಾ ಯಾವ ಥ್ರೆಟ್ಟನ್ನೂ ಮಾಡಲಿಲ್ಲ ಎಂದು ಹೇಳುವುದಕ್ಕಾದರೂ ತಾವೊಂದು ಅವಕಾಶ ಕೊಡಬಾರದೆ?

Mr. SPEAKER.—If the member cannot understand, I will have to repeat. My affection for him is very great. The whole House knows that I give him plenty of opportunity, because I love him. If he does not want me to maintain that affection.....

Sri C. J. MUCKANNAPPA.—Sir, you have to treat me with the same affection as you treat Sri Deo.

Mr SPEAKER.—I am very happy to announce that I have got as much affection for Sri Muckannappa as I have for Sri Deo. I am happy to learn that Sri Muckannappa is becoming a good boy and that under my guidance and in my immediate presence. Let us not unnecessarily waste time.

Sri S. SIVAPPA.—We are also very happy that the Chair has the same affection for both.

Mr. SPEAKER.—If the Leader of the Opposition wants, I will put him in the same category.

Sri S. R. KANTHI (Minister for Education).—Sir, there is no 'Call attention' or 'pre-information' to us about this. If the 'pre-information' is given, we will examine.

Sri S. M. KRISHNA.—Is not the Government aware of the situation That is a very unreasonable attitude of the Government.

Mr. SPEAKER.—Sri H. D. Deve Gowda has given a 'Call attention' notice that there is a strike in the Hassan College. Let the Hon'ble Minister reply to it.

STATEMENT BY HON'BLE MINISTER FOR EDUCATION

re Strike in Hassan College.

† Sri S. R. KANTHI.—As regards Sri Deve Gowda's 'Call attention' motion, I wish to inform the House that I had sent the Deputy Secretary of the Education Department to Hassan to make an enquiry on the spot. He has just now submitted a report, and he says that there is no trouble in the Hassan Engineering College. There is some trouble in respect of First Grade College at Hassan. There have been certain irregularities and those irregularities are being rectified by the Government by issuing strict instructions in that respect.

Sri S. SIVAPPA.—I am not standing to give any threats or complicating the affairs. I am earnestly appealing to the Government to solve this complicated problem by coming out with proposals, which may
